Created for a Purpose

Pregnancy Helpline (Barb, Cheryl and Tina)

21 S. Jackson St. , Janesville

(608) 755-9739 www.pregnancy-helpline.net

October	Visit Pregnancy Helpline
November	Pass out baby bottles to MS/HS Assist with donations/Attend Classes
December	Collect baby bottles and deliver to Pregnancy Helpline

Pregnancy Helpline is a “life affirming voice” for pregnant girls and women before, during and after pregnancy. The trained volunteers of Pregnancy Helpline assist clients by sharing with them, and caring for them, in a full cycle approach through programs and/or services which may include: pregnancy tests, pregnancy counseling, education and support; referral and advocacy for community resources; post-abortion recovery; adoption referral and support; material aid; and abstinence education.

Triumphs and Challenges

Our Church Family Book

Have you ever looked around during Mass and wondered about the life stories of those sitting around you? You may see one of your teachers... hear people who too sing loud... shake the hand of someone who looks really old during the sign of peace... smell the strong cologne of a guy two rows ahead of you...taste the Body and Blood of Christ truly feeling the presence of Jesus Christ within your body and soul. Your faith group will be interviewing parishioners to create a book to be part of the parish archives or available for purchase.

October	Contact those to interview, meet and take photo
November	Collect stories and photos to compile— (ex. Shutterfly)
December	Present book to parish

Let the Little Children Come to Me

Advent Adventure

Create a crazy fun morning for little kids teaching them about Advent and the Christmas story. You come up with the theme and plan the morning. Adult volunteers will be available to assist you in planning and during Advent Adventure.

October	Plan, create invitation, prepare mailing. Order supplies.
November 19	The big day—be sure to take pictures and create video
December	Video will be played during the FF1 classes for the kids to see
