**My family:**

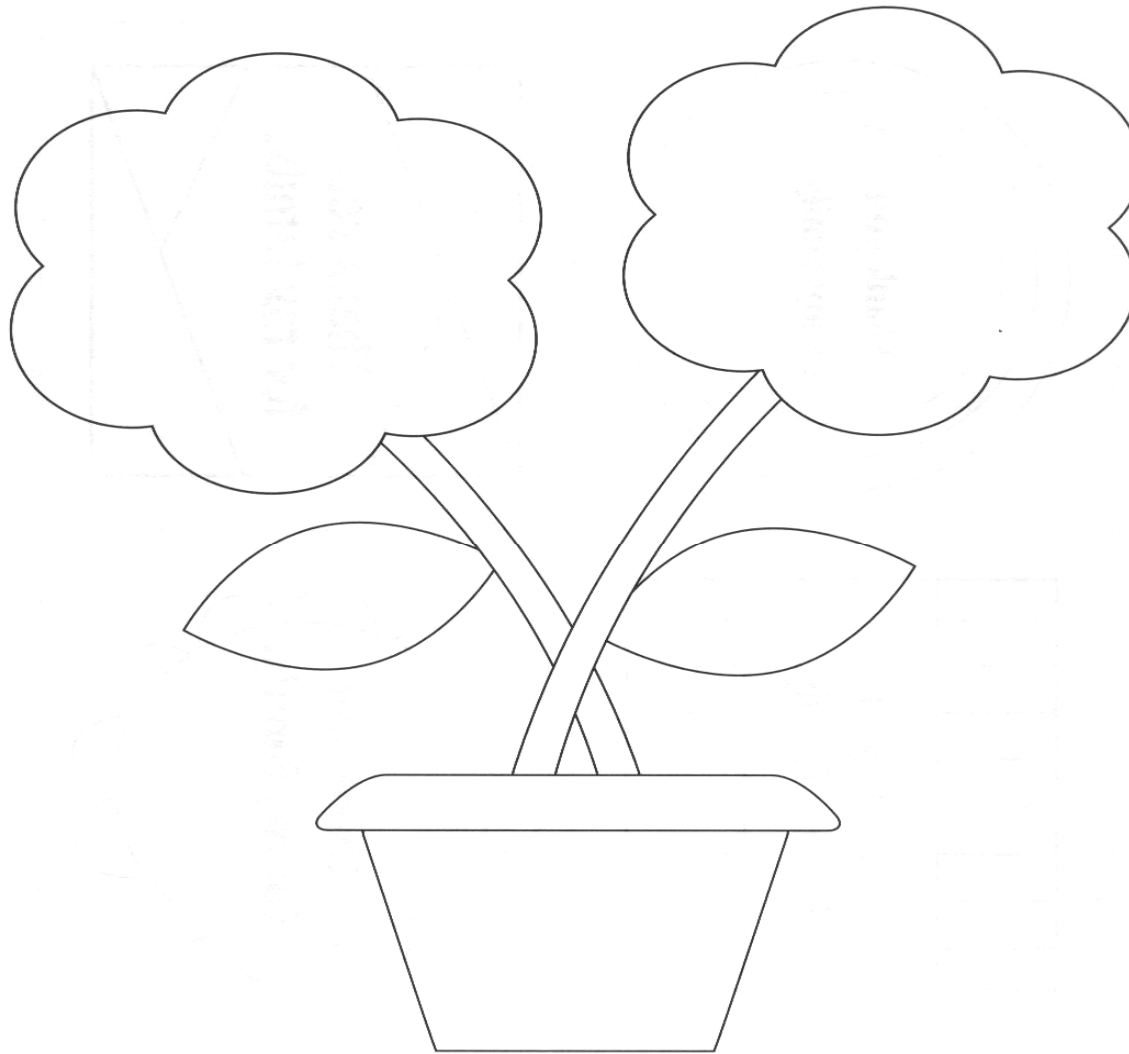

**Chapter 8:**

**My Family Is a  
Sign of God's Love**

Faith First Supplement November 16/17, 2010

Major Points: Our families are a sign of God's love for us. Families try to care for each other. My family shows me God's love by caring for me. We share God and love Him by praying (talking) to God and by caring for all people.

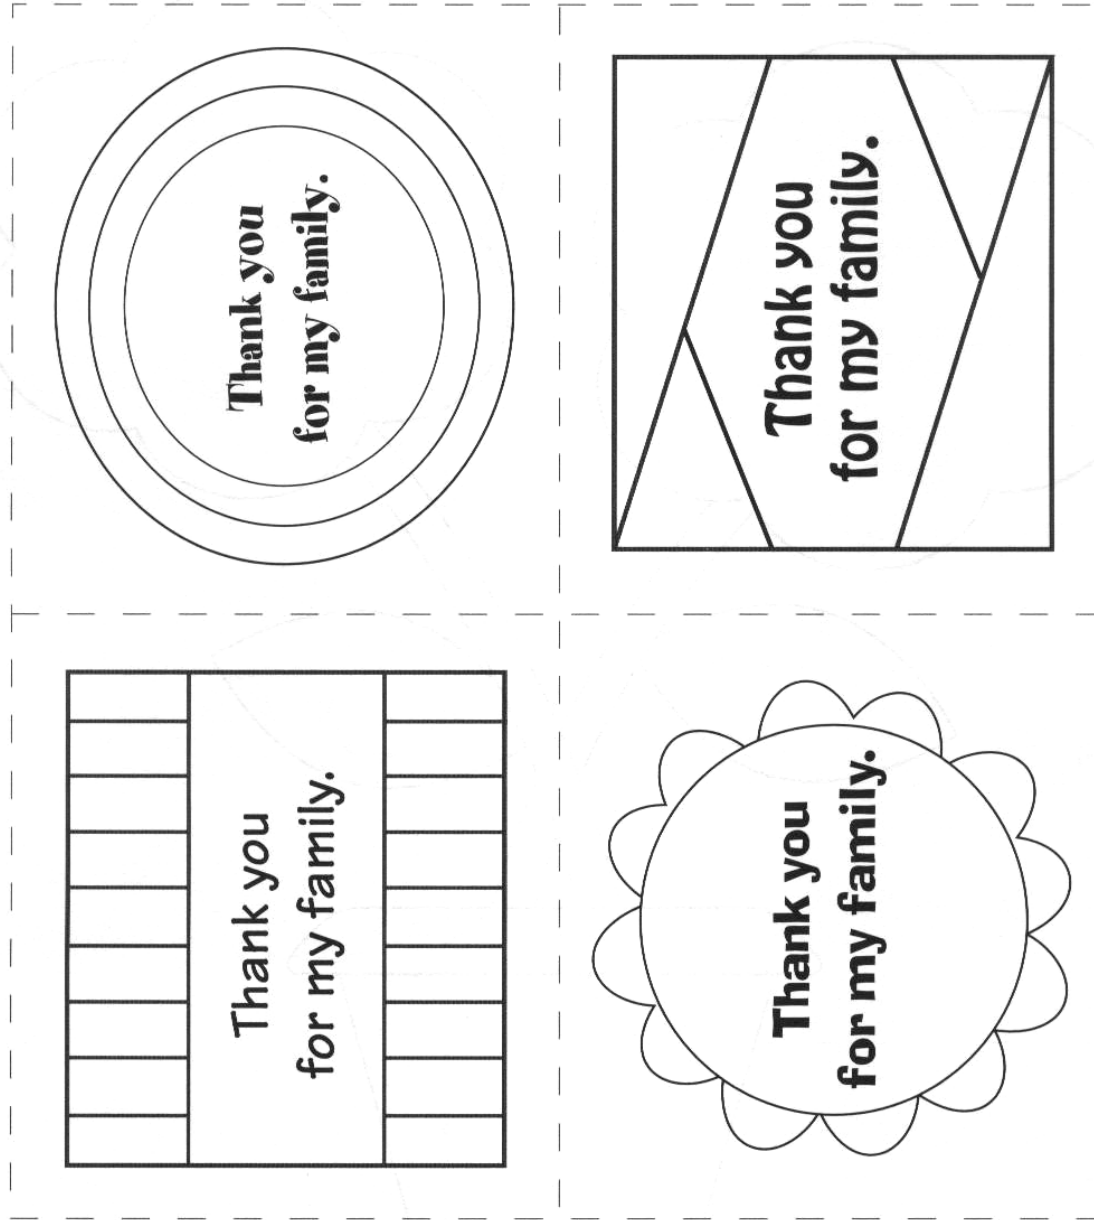

### My family takes care of me.

**Teacher/Catechist/Parent:**

In this chapter the children learn that their family shares God's love with them by taking care of them. In the center of each flower have the children draw pictures of family members who take care of them.

# Thank you, God, for my family.

**Teacher/Catechist/Parent:**

In this chapter the children learn to thank God for the gift of their family. Have the children color the cards, cut them out, and give the cards to members of their family.

Notes from your Catechists :

Please practice the refrain and first verse of the song *Emmanuel*. You can listen to this song by going to the parish website [www.saintmarymilton.org](http://www.saintmarymilton.org), click on *Faith Formation*, then *Elementary* then click on the *Emmanuel Song* link in the green box. This is in preparation for our Christmas Reflection on December 14/15 during class.

*Come, come Emanuel...Son of God appear!  
Heaven and earth rejoice...  
Salvation is drawing near...Salvation is drawing near.*

*O Come, O Come Emmanuel  
And ransom captive Israel  
That mourns in lonely exile here  
Until the Son of God appears.*

*Happy and blessed Thanksgiving!*
