We missed you at the September Youth Ministry gathering!! This year we are studying the Gospel of John. Scholars believe he was the youngest of the apostles...close to your age!!

Take some time to go through the enclosed booklet and the first three chapters of John and answer the questions on this worksheet. In order to receive make-up credit for this session, return the worksheet to your faith group leader or you can drop it off in the Youth Ministry box in the front entryway.

ACTIONS (service hours) begin accumulating in 7th grade toward Confirmation. Volunteers are needed to help with the Harvest Bazaar. If you can help, please contact me at 868-3334 or sabrinae@centurytel.net.

The Gospel of John

Page 2 John's Theology

Does this make sense to you that Jesus would choose a youth to be an apostle? Why or why not?

Is there someone in your life who has guided you in your Faith? Share something about your relationship with him or her.

Page 3 John's Prologue Background

If you could write the prologue from your perspective of the life of Jesus Christ, just from your studies and life experiences, what might you include?

Do you remember a certain catechist or faith group leader who may have inspired you in your Faith?

How does having God in your life make you different from someone who does not know Him?

Page 4 John Chapter 1

Do you think you would have been the kind of person Jesus would want as an apostle? Why or why not?

Page 5 John Chapter 2

Jesus gets annoyed with his mom when she tells him what to do...but does it anyway. Has anything like that ever happened to you?

Page 6 John Chapter 3

Is it easy for you to see the light in everyday life?
When you feel like your life is in darkness, what do you do? Do you go to a friend, a party, your parents or to Jesus?

Page 7 Morality

What is your biggest moral challenge so far this year?

This year, we hope you will come to know Jesus Christ in a different way...not just as some guy who wrote about Jesus...rather this young person about your age whose life was changed after meeting his life mentor named Jesus.

Take this to your October faith group gathering or drop it off at church....
Thanks!
